## RANGE OF PLATE

### OUR PLATE STOCK RANGE JULY 2021

We stock a comprehensive range of plate in the 2 duplex stainless steel grades, Alloys 2205 and 2507, as well as in 904L and 310S. In addition to offering standard plates of 3000mm x 1500mm and 6000mm x 1500mm, we have introduced a range of standard PRECut sizes. This is facilitate the **urgent delivery** needs for smaller quantities and for **cost effective use** of these alloys in instances in where full plates are not required.
